## Jesus Still Heals Today

*God anointed Jesus of Nazareth with the Holy Spirit and with power, who went about doing good and healing all who were oppressed by the devil, for God was with Him.* Acts 10:38

*Jesus Christ is the same yesterday, today, and forever.* Hebrews 13:8

Jesus and the Word are one. Jesus is the same today as He was when He walked this earth. He is still good and still heals. The Word is still the same for it has been forever settled in Heaven [Ps. 119:89].

*For they (My Words) are life to those who find them, and health (medicine) to all their flesh.* Proverbs 4:22

In the original translation the word health is the word medicine. God's Word is medicine for the body.

It isn't similar to medicine, it isn't like medicine, it IS medicine. It is medicine to our flesh to heal the body of sickness and disease.

*Now the parable is this: **The seed is the Word of God.*** Luke 8:11

God has beautifully created the human body and created it to respond to the seed of His Word - to respond to His medicine.

Just as God breathed into man's nostrils the

breath of life, He also breathed the breath of life into His Word to heal the body.

*The words that I speak to you are spirit, and they are life.* John 6:63

*For they (My Words) are life to those who find them, and health (medicine) to all their flesh.* Proverbs 4:22

Receiving God's Word as medicine is like planting the seed of His Word into the soil of your heart and it will produce a harvest of healing into your body. Jesus still heals today for His Word will not return void.

We have a part in receiving His healing. His Words are spirit and life. We must worship the Lord in spirit and in truth and we must also speak the Word in spirit and in truth.

When speaking the Word, it must be spoken from within your spirit. The words are not magic, they don't happen just because we speak them. Jesus said My Words are spirit [John 6:63], therefore they must be spoken from within our spirit.

You might be thinking, how do I get the Word into my spirit? You read it slowly and carefully focusing on what you are reading. Then think about what it is saying to you personally.

As you read healing Scriptures, softly speak those words to yourself. This will get the Word from your head into your spirit. Faith will grow and your thoughts about healing will line up with the Word – with God's

thoughts. Then you will begin to speak the Word from your spirit and it becomes life.

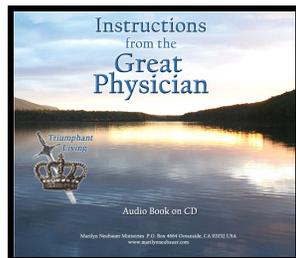

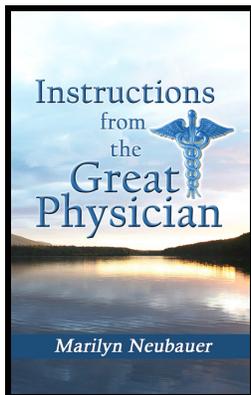

Once again; His Words are life to those who find (obey and believe) them [Prov. 4:22]. The words that I speak to YOU are spirit and they are life [John 6:63]. Healing is still for today and for YOU.
