

# TRIUMPHANT Living

May 2011

**Five POWERFUL weeks of ministry within Switzerland, Germany & Holland.**

Pastor Robert & Edith Blum from Basel

The first meeting of this trip began on Sat. in Basel, Switzerland. There was a great move of God both Sat & Sun. and many set free during the teaching of breaking strongholds. Pastor Robert is also the Dean of the Bible school at the Gospel Center in Brugg where I taught on Monday.

Time of worship between teaching sessions.

I have taught in the Bible school for several years now and there are always strong testimonies from many of the students.

Hannelore & her son Michael who is the Pastor of the Gospel Center in Brugg

Last year an un-believer gave the church a large sum of money to purchase a new building. The following week from teaching in the Bible school I went to help them move to the new facility and clean the old building. It's always a blessing to serve.

Many of the students commented on my being there to help. It became a good witness to them that none of us are beyond serving.

We can stand behind the pulpit on Sunday and on a ladder on Monday.

On the ladder.

A frequent visitor received salvation.

Shirley & Marlene

Shirley brought her dear friend Marlene to the home where I was staying. Marlene was in need of prayer. After she gave her heart to the Lord you could see the peace that came upon her as she sensed the presence of the Lord and received His love.

Pastor Tyrell & Teresa have a growing international church in St. Gallen.

It was fun getting the congregation involved as I taught on the authority of the believer.

Pastor Thomas Lohnke translated for me as I taught and ministered on healing Sat. & Sun.

Hearts were open & hungry to receive.

Teaching on authority

One of the visitors was a Messianic Jewish Pastor who shared how the Word and prayer ministered to him and answered many questions he had.

Wonderful to see the joy of the Lord in the hearts of the people.

**Surrendering His life to the Lord**

**Berlin, Germany with Pastor Jon Matutis**

Three nights of ministry in Berlin. Everyone was so thirsty for the Word of God. There was a powerful time of ministry.

**Pastor Markus Rex & Ilka pastor in Frankfurt Oder. It's a blessings to see**

**Pastor Al & Gloria Veer**

From Germany I returned for three services with Pastor Al & Gloria Veer. I taught on prayer, healing & the power of forgiveness.

We had a powerful time of ministry as the Lord set so many free.

With tears streaming down her cheeks, Juliane immediately testified of the peace & joy flooding her heart as she prayed.

**Juliane & Pastor Al**

Through the prayer of forgiveness, the healing power of God sets the captives free

**Pastor Hein & Sharlene from Holland**

Services began with a healing seminar on Sat. Everyone came pumped up to receive.

**Soaking in the Word like a sponge.**

Rose, sitting here in blue, told her neighbor Monja about the meetings. Monja came on Sun. and gave her heart to the Lord.

One of the other church members witnessed to a stranger in the park and invited her to church. Marianne came and received the Lord that morning.

**Marissa (center) received salvation.**

Marissa told her mother that morning she felt the needed to come to church. The Word of the Lord deeply touched her heart and she knew she needed to receive Jesus as her Savior.

**More salvations**

All throughout Switzerland, Germany and Holland the saints were hungry and receptive to the Gospel. The Pastors have been doing a great work in teaching and training their people. It made it so easy for the Holy Spirit to flow, healing the sick, setting the captives free and bringing new ones into the Kingdom.
