## Signs and Wonders Following ...

Mark 16:15 *Go ye into all the world, and preach the gospel to every creature. Verse 20 And they went forth, and preached every where, the Lord working with them, and confirming the word with signs following.*

We are commissioned to go and the Word still works with signs following.

**Belgium:** Three powerful meetings in Belgium with Pastor Erik Schobben as the people drew upon the anointing to receive. Four received salvation, two recommitted their lives to Christ, ten were filled with the Holy Spirit and there were numerous healings.

An elderly lady was almost completely deaf. After praying for her, the next morning she phoned the pastor saying: *I can hear, I can hear!!!!*

A gentleman was suffering from a lung condition, the next day he testified: *I woke up this morning and my breathing was normal.*

Before leaving Belgium the pastor asked me to visit Irene, a sick neighbor who had moved in to live with her married daughter. After praying for Irene, I shared the gospel with her daughter Adi along with Irene's nurse. *Both Adi and the nurse gave their lives to Christ!*

**Switzerland:** The presence of the Lord was powerful during the service with Pastor Robert Blum. Two received salvation and filled with the Holy Spirit along with one recommitment to Christ. It is always so wonderful when those that stray away return to the Father's love.

*A mother testified with great joy that her daughter has not had any more seizures since I prayed for her last year.*

It was wonderful to teach at the Bible school and a very anointed time as well. I taught the first and second year classes and about 34 students came forward for healing afterwards.

**Germany:** Three dynamic services with Pastor Al Veer. The Lord gave me a word of knowledge that someone needed prayer for an ear problem. About 30 people came forward and received.

One lady testified: *"Marilyn's word was perfect for me today! A light went on. She highlighted my problem. She spoke the answer to my prayers. I thank God for His Word and for today's message and for His amazing messenger!"*

There was excitement when I arrived at Pastor Toni Heule's church as the people came with great expectations of the Lord's presence.

*A young boy came in the healing line for prayer for his vision. A few hours after returning home he shouted, "I can see better". The following evening his teenage sister came to the service giving this testimony and then gave her life to the Lord. Signs and wonders draw people to Christ.*

*That same evening a lady came to me holding my packet of healing scriptures – Daily Power Bar for Healing. She testified that while in the hospital she read these scriptures several times a day. Then one day she woke up and was healed. "The Word works", she said.*

**Czech Republic:** Six services in five days with nine salvations - an 80 year old women and a young mother and teenage daughter.

Praising the Lord after four received salvation.

I was able to share the Gospel while Cornelia & I were having lunch. Renata (far right) gave her life to the Lord.

Adi and Irene's nurse receive salvation.

Sister receives salvation after brother was healed.

Homeless man receives salvation and healing.

So many testimonies. A knee injury healed, pain from back injuries – pain left.

A 6 year old boy in the congregation recognized me and said to his mother, “*There’s the lady that prayed for me last year when God healed me.*”

There is always a powerful move of the spirit when hearts are open to receive.

**During these four weeks of ministry there were  
28 salvations,  
*the greatest miracle of all*  
and many filled with the Holy Spirit.**

I’ve received invitations from two other churches and two Bible schools – a church in Poland and Germany; a Bible school in Denmark and another Bible school in Switzerland. The Bible school in Switzerland is with Andrew Wommack ministries.

Thank you dear partners for co-laboring with me. I wish you could all be with me during these ministry trips, but we truly share in the spiritual rewards together. Without your faithfulness in prayer and continual financial support, these lives would not be touched. Heaven rejoices as we build the Kingdom of God together.

**New Partners:** Those of you who are not yet a partner with this ministry and would like to join with the faithful others, please let me hear from you. You would be added to our prayer list and prayed for daily as well. You can donate in several ways: 1) on line through my website, 2) Bill pay if you do banking on line. Bill pay is the best because no fee is deducted from your offering, 3) mail in your donation.
